CIVIL DEFENSE CHAIRMAN

J. Westly Robinson

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Loudon on Tuesday, the tenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to allow 2% discount on all property taxes paid within thirty days after presentation of tax bills.
4. To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$84,042.25 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town negotiable notes therefor, said notes to be paid in the current municipal year from taxes collected during the current municipal year.
5. To see if the Town will vote to raise and appropriate the sum of \$400.00 to eliminate White Pine Blister Rust.
6. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the construction of more water holes for use of the Fire Department; the details relating thereto to be the same as voted last year.

7. To see if the Town will vote to raise and appropriate the sum of \$300.00 to aid in the care of neglected lots in the following cemeteries: Loudon Ridge, Loudon Center, Moore and Mount Hope.

8. To see if the Town will vote to discontinue the abandoned portion of the Rocky Pond Road also known as Route 106, between station 126/50 and station 135/50 as shown on a plan of Canterbury-Loudon T.L.R. Project No. 14182 in the records of the N. H. Department of Public Works and Highways, that is more than fifty feet distance from the new center line of construction.

The above mentioned abandoned section of the former Rocky Pond Road was reclassified from Class I to Class 5 by letter of Commissioner Frank D. Merrill dated December 9, 1952 and is 900 feet long, just northerly of the Loudon Ridge Road and on the westerly side of the new highway.

9. To see if the Town will vote to discontinue such abandoned road approaching the old bridge at the foot of River Hill that is not included in the distance of 33 feet from the center of the new construction.

10. To see if the Town will vote to raise and appropriate a sum not exceeding \$100.00 (1/100th of one percent of the Town's valuation) based on the 1952 assessment to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with the other 37 communities in this Region, or act in relation thereto.

11. To see if the Town will vote to build a hose tower on, and a sixteen foot wide addition to the Fire Station.

To see if the Town will vote to raise and appropriate the sum of fifteen hundred dollars for the tower and addition listed in the article above.

12. To see if the Town will vote to raise and appropri-

ate the sum of \$939.00 to help meet the cost of the estimated deficit for Concord Hospital for 1953, this amount being one and 4/10 percent of the estimated deficit.

13. To transact any other business that may legally come before said meeting

Given under our hands and seal, this fourteenth day of February in the year of our Lord nineteen hundred and fifty-three.

LLOYD O. MOORE,
HAROLD W. HILL,
NATHAN P. SMITH,

Selectmen of Loudon

A true copy of Warrant—Attest:

LLOYD O. MOORE,
HAROLD W. HILL,
NATHAN P. SMITH,

Selectmen of Loudon

REPORT OF THE SELECTMEN

Bridge Construction

The bridge at the foot of River Hill was completed this last year. The cost of construction was less than the \$6,000.00 estimated as the town's share. We paid the State of New Hampshire the sum of \$5,000.00 but will be refunded \$212.14, leaving the actual cost to the town of \$4,787.86.

Town Hall Repairs

The repairs to the foundation of the Town Hall have been completed by Loys and Leon Ashland. Cement blocks were used on the two sides and the stones were reset on the ends. The roof has been painted one coat of black asphalt and should be painted with aluminum this summer as the asphalt was only a primer coat.

T.R.A. Construction

The road over Loudon Ridge will be completed this spring with last year's allotment of funds possibly leaving some extra to start elsewhere. Plans for the next several years of construction have been made with the cooperation of the State Highway Department. The roads to be built are shaded and those already tarred are marked in black on the map inside front cover. The plans are to build Pleasant Street, School Street and Upper City in that order.

General Government

The town real estate was reappraised with the cooperation of the State Tax Commission and a card system has been started where each tax payers' real estate is itemized on separate cards. The Selectmen are always willing to show these cards at any time when they are at the office. The Tax Commission will help us keep these records up to date in the future.

We are indebted to the following for books, magazines, pamphlets and papers; Mrs. Margaret Anderson, Mrs. Jessie Cate, Mrs. Dorothy Downes, Mr. Carl Sinclair, Mrs. Mamie Hackett, Miss Laura Hayward, Martha Hall, Mr. Caleb Marston, Mr. and Mrs. John Forst, Mrs. Pauline Hill, Mrs. Mary Maxfield, Mrs. Weeks of Meredith, Mrs. Laura Jenkins, Miss Beverly Taylor, Mrs. Wayne Smith, Mrs. Virginia Peaslee, Roscoe Lovering, Mr. Herman Annis, Mr. Maurice Trow, Mr. Donald Stuart, Mrs. Bertha Mulkhey, Mrs. Fred Hackett, Mrs. Georgia Chesley, State Board of Health, N. H. State Development Commission,

Secretary of State, N. H. University, and the Editor of the Valley Times of Pittsfield, also the American Legion Auxiliary, the V. F. W. Auxiliary, Miss Jacqueline Buzzell, Mrs. Valley, and Miss Gladys Morrill of Concord.

Two new magazines will be added to our present list for 1953. I believe "Current Biography" and the "Hobby Magazine" will be very popular.

My sincere thanks and appreciation to you all who have contributed or helped in any way this year.

Respectfully submitted,

MARGUERITE E. BUZZELL,

Librarian

We hereby certify we have examined the accounts of the selectmen, town treasurer, town clerk, library trustees, tax collector, trustees of trust funds, and road agents, according to instructions of the tax commissioner's auditor for the year ending December 31, 1952 and find them correctly kept and properly vouched.

GERALD B. SMITH,

ARTHUR T. ANDERSON,

January 15, 1952

Auditors

REPORT OF THE LOUDON FIRE DEPARTMENT

The calls for Fire Department attention returned to about the usual number this year. Forty-four calls were recorded.

Considerable advance was made during the year on several projects vital to the operation of the department and the people of the Town.

Waterholes for which money was raised in 1951 and 1952, were dug very successfully. They total eight and are located as follows: near Clarence Maynard's on Oak Hill; between Albert Hardy's and Herman Annis's on Route 106; between Pearl Cumming's and Arnold Storrs on Mudgett Hill; opposite the Grange Hall at the Center; near the Chesley Place at Tilton's Corner; at the foot of the hill near Ben Smith's; near Charles Pearl's on Sebattus Heights, and between Towle's and Osgood's in Pittsfield Upper City. They all began to fill shortly after being dug and though an exceptionally dry period all had a reasonably good supply of water shortly. It is sincerely hoped that this great work can be continued for several years in the future.

The air compressor, needed for so long, was purchased by the Association members themselves. It is in constant, necessary service.

The Fire Alarm system, as presently laid out, has been completed and in operation since early spring. Thirty-two street boxes now stand constantly ready to serve everyone by giving instant notification that help is needed. Already they have been used several times for working fires, one of the later instances being an alarm from box 122, at Pearl's Corner, for the Cummings fire on Mudgett Hill. This box is nearly a mile from the scene. Had the system been nearer still more minutes would have been saved. We wish to extend to everyone a most cordial invitation to inspect this system, as well as everything else pertaining to the workings, or equipment, of this, your fire department.

The Fire Insurance rates in New Hampshire have been completely revised by the Fire Underwriters. We have been given considerable credit for the alarm boxes with lower rates in effect where the risks are near a box and not over two miles from the fire station. This increases the lower rate area a great deal. If a tanker were in service this area would be extended quite a lot further. With this in mind the members of the Association have again stepped out in front and are purchasing a tank and chassis to create a tanker. Without heated housing, credit would not be given nor would its full usefulness be realized. It is hoped that the station may be enlarged to house this important addition to the present equipment.

During the year a Mutual Aid Association was formed among the Fire Departments of eleven surrounding towns. This assures a tremendous amount of protection to all concerned. On anything that appears serious the local department will be immediately supplemented by all necessary help from the adjoining departments. Among other things it gives everyone of the communities the services of nine tankers rather than being dependent on their own. The Association bordering on the north is also in close contact making still more assistance available should the emergency be in that vicinity.

We are proud to report that after full consideration it was found that our system of alarm receipts and dispatching was the best and most dependable. Accordingly the Ladies Auxiliary has been appointed the official dispatching center for these eleven towns. Their constant availability, knowledge of all procedures, their radio and telephone contacts, and their experience, made them vital to the whole. Their work in the local field continues to be of the greatest possible assistance. It is hoped by the present membership that new members may be recruited from all sections of town. Their help would be greatly appreciated and it is felt certain that they would fully enjoy the meetings with the whole group.

We regret exceedingly the passing of Mr. Clarence Hagar. He was one of our most interested, hard working members and chairman of the Fire Board.

Mr. Everett K. Jenkins has been elected to the Board of Commissioners.

Respectfully submitted,

J. W. ROBINSON,

Chief

REPORT OF UNION CEMETERY

The Union Cemetery Association submits its annual report:

Total amount received		\$75.00
Cost of Cutting Bushes, Mowing and Raking		
Lots	\$74.00	
	<hr/>	<hr/>
		74.00
Balance on hand		\$1.00

We were unfortunate to lose the services of Mr. George Young because of illness and no more work was done for the season.

Respectfully submitted,

HERMAN L. ANNIS,
President of the Ass'n

REPORT OF CIVIL DEFENSE

It is but recently that I have been appointed to take over the duties of Local Director of Civilian Defense. This post, so capably filled by Mr. C. A. Brinkmann until his resignation because of his State appointment, will need considerable study and work to get in line with present developments.

Cooperation, which I feel sure will be forthcoming, not only from the individual unit leaders but from everyone, will be urgently needed to keep the organization in shape to cope with any and all emergencies.

It is earnestly hoped that there will be no need for any action on the part of this organization but world events do not tend to lend credence to the belief.

Other than the appointment of Mrs. Beatrice Jenkins, to fill the vacancy occurring on the resignation of Miss Laura Hayward, as leader of the Medical and First Aid Unit, the leader group remains the same.

Consideration is being given to the possibility of increasing the coverage of warning signals by installing sirens in spots where they would be heard beyond the limits of the existing ones. It is understood that the Federal government will match local funds for such use as well as for other things that may come up. Accordingly the sum of \$150 is being asked to be raised for such purposes together with the usually minor items of postage and the like.

I shall do my best to 'carry on.'

Sincerely,

J. WESTLY ROBINSON,
Local Director, Civil Defense

FOREST FIRE WARDEN'S REPORT

Team Work Will Do the Job

Team work has won victories from time immemorial — for families, towns, cities, states and nations. Team work is the highest form and most democratic example of co-operation. Without team work, America and Americans would never have achieved the greatness that is theirs. We are all aware of its power and appeal. It is no less needed now than in the past.

Team work among those who live, work and recreate in and near the woodlands, is vital. There never was a time when our woodlands as a whole were in such precarious condition as they are now.

Since the hurricane, nearly 900,000 acres of slash have been added to our already sizeable slash problem. If we are to avoid unnecessary trouble with fire in our woodland areas everyone must cooperate — we must have team work. The remedy is simple —

YOU and YOU and You and You

MUST secure the required permit from your local forest fire warden before burning.

MUST use necessary precautions while burning or smoking in or near woodlands.

MUST not throw lighted cigars, cigarettes and matches from vehicles moving along highways.

Otherwise YOU might well contribute to a costly and damaging fire. And don't forget that fire might destroy your own property!

REMEMBER—Only YOU and YOU and YOU can prevent fire!

TEAM WORK WILL DO THE JOB!

Number of local fires — 2

Number of acres burned — 81½

Number of permits issued — 147

THOS. J. KING,

District Chief

J. WESTLY ROBINSON,

Forest Fire Warden

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Loudon qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the Tenth day of March 1953, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to construct and equip a six classroom addition to the Loudon Village Grammar

School and to make any necessary alterations to the present building.

10. To see if the district will vote to raise and appropriate a sum not to exceed \$85,000.00 for the purpose of constructing and equipping a six classroom addition to the Loudon Village Grammar School, so called, and to make the necessary alterations to the present building; such sum to be raised through the issuance of serial bonds under, and in compliance with, the provisions of Chapter 72 of the Revised Laws of the Municipal Bonds Statute of New Hampshire and any amendments thereto; and to authorize the School Board to determine the time and place of payment and rate of interest on said bonds and to take whatever action as may be necessary to the issuance and sale thereof.

11. To see if the district will vote to construct and equip a four classroom addition to the Loudon Village Grammar School and to make any necessary alterations to the present building.

12. To see if the district will vote to raise and appropriate a sum not to exceed \$60,000.00 for the purpose of constructing and equipping a four classroom addition to the Loudon Village Grammar School, so called; and to make the necessary alterations to the present building; such sum to be raised through the issuance of serial bonds under, and in compliance with, the provisions of Chapter 72 of the Revised Laws of the Municipal Bonds Statute of New Hampshire and any amendments thereto; and to authorize the School Board to determine the time and place of payment and rate of interest on said bonds and to take whatever action as may be necessary to the issuance and sale thereof.

13. To see if the district will vote to elect by ballot, after nominations from the floor, four (4) members of a School Building Committee, with authority to confer and

advise with the School Board in the procuring of plans and specifications for, contracting for and supervising the construction and equipping of an addition to the Loudon Village Grammar School, so called.

14. To transact any other business that may legally come before this meeting.

Given under our hands at said Loudon this tenth day of February 1953

EVERETT O. DOW, *Chairman*
VERA T. PRESBY,
RUTH M. FORST,
School Board of Loudon

SCHOOL BOARD'S ESTIMATE FOR 1953-54

Detailed Statement of Expenditures

School Board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1953.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Loudon:

The school situation at Loudon has now reached such a critical point that it calls for some action on the part of the citizens of the community, if the educational needs of the children are to be met adequately.

The school census report for 1952-53 gives a clear picture of the numbers of potential school children in Loudon:

ENUMERATION

Ages, as of Sept. 1, 1952	Number of Children			Number of Children Attending Public Schools		Number of Children Attending Private Schools	
	Total	Boys	Girls	Within the District	Outside the District	Within the District	Outside the District
Less than							
1 year	6	3	3				
1 year	20	12	8				
2 years	22	9	13				
3 years	17	7	10				
4 years	10	6	4				
5 years	21	11	10				
6 years	16	7	9	14			2
7 years	17	8	9	15			
8 years	16	11	5	16			
9 years	27	15	12	26	1		
10 years	26	16	10	25			1
11 years	27	10	17	27			
12 years	13	8	5	12	1		
13 years	21	8	13	17	4		
14 years	16	6	10	6	10		
15 years	14	6	8		14		
Totals	289	143	146	158	30		3

The primary room at the Village school is very crowded and the teacher is taking care of two grades, the first and second.

Actual enrollment has increased since the census was taken. January enrollment shows 32 pupils in this room. Next year there will be more. National figures as well as local ones indicate this.

Therefore grades one and two need to be separated. This means another teacher for grade two.

The instruction in these elementary grades is of the utmost importance. It is here that the child starts the foundation work for later school training. Small children need much attention. Recommendations are that such classes should not exceed 25 children per teacher, with 30 as the maximum number for a single grade.

The Pearl School also is very crowded at present. Present enrollment is 29 boys and girls. The room is not large enough to accommodate this number.

The Yellow School is crowded. Forty-two children registered there last fall. There was not sufficient space to seat them properly. The figures indicate that next year there will be fully as many, altogether too many for one teacher to handle. These grades cannot be grouped together if adequate instruction is to be given. Both children and teachers are working under very great difficulties. Grades 7 and 8 should be separated, and this means another teacher should be added.

For some years now the citizens of Loudon have been thinking of their schools, and many people are keenly aware of these crowded conditions.

All thoughtful citizens recognize the differences between vital needs of a school system and mere proposals for change.

Loudon has a vital need for a school building, which will consolidate its one room schools. It may not be financially possible to complete such a building all at once. But, a beginning should be considered. A feasible plan

might be to build on to the present Village School an extension of four rooms at this time. The land is available through the kindness and foresight of a local citizen. This would ease the present emergency, provide suitable class rooms for many of the children, make it possible to close some of the one room schools, and start Loudon on its way to a better school system.

No community has any greater asset than its children. They are the future life blood of the town. The opportunity offered them for education is without doubt the best single investment the town can make. The cost of such a project is of vital concern to the people and their ability to pay has to be fully considered. Plans to meet such an obligation deserve the utmost attention. But the return on such an expenditure should not be disregarded.

It is believed that the people of Loudon will give much thought to this problem and act in the best interests of their children at the next local district school meeting.

I should like, at this time, to extend my appreciation to the School Board, the teachers and the good citizens of Loudon for their help and cooperation given during the past year. The business of promoting education for our youth is a task that is both noble and inspiring, and one which merits the support of all people of the community.

Respectfully submitted,

February 2, 1953

WILLIAM B. HOUNSELL,
Superintendent of Schools

ANNUAL REPORT OF SCHOOL HEALTH, 1951-52

Number of pupils examined 168

<i>Defects</i>		<i>Treatment</i>	<i>Corrections</i>
